

# Pen to Paper

## Creative Writing for Children

### NEW COURSE DATES

At Pen to Paper we teach **literacy skills** in an interactive way, in a **friendly** and supportive environment. We use a wide variety of fun activities, tasks and games to help children to develop creative writing skills, explore their imaginations, creative thinking skills and self-expression. We put a strong emphasis on developing **social skills**, making friendships, as well as building self-confidence and self-esteem.

We work alongside the school curriculum to support and complement academic learning in an informal and non-pressured setting.

Sessions are held on **Saturday mornings** from **9.30 to 11.00 am** at the Alton Maltings Centre, Alton, with the occasional double. Places are limited to twenty-five at a cost of **£25.00** per child, per course, with opportunities for Young Mentors of Year 7 age (+), college and university students as well as members of the community, to join us.
